

The Very Hungry Caterpillar Craft

You will need:

- paper
- tempera paint
- brush or sponge
- red and green colored puff balls
OR red and green construction paper
- glue
- googly eyes/buttons (optional)

Part one: make butterfly

- fold paper in half-open and lay flat
- on one side, paint stripes of colors starting from the middle fold and going outwards
- add dots or splotches if you want
- fold gently in half
- open to reveal butterfly wings!

Part two: make caterpillar body

- Glue one red puff ball or red paper circle on center crease at top of butterfly
- Add green puffs or paper circles below until bottom of butterfly
- add googly eyes or small buttons for eyes
- Optional: when dry, add legs and antennae with black marker or paint.
